Exercise: Create, Edit, and Share Content Pack

Create a Group

Make sure you have completed Labs from previous modules (**Power BI Service** and **Working with Excel**).

IMPORTANT!

Please note that you might get different answers if you had not followed the steps in the previous modules.

1. Go to **<http://www.powerbi.com>** and sign in using your account.
2. Create a new **Group**.
3. Name the Group **DAT207xVA** (or choose another name), set it as **Private**, and add your email address as a member of the group.
4. Save the Group.

Question 1

1/1 point (graded)

Which two types of access to Power BI content, can you give to members of a group?

☐ Admin

☒ Edit

☒ View

☐ Delete☐ Member

You have used 1 of 2 attempts

Create a Content Pack

1. Go to your workspace (not the group workspace).
 2. Create a new **Content Pack**.
 3. Select to give access to the **entire organization**.
 4. Give the content pack appropriate **Title** and **Description**.
 5. Select the **VanArsdel Sales** Dashboard, **Lab 5 - USA** Report, and **Lab - 5 Canada** Dataset.
Notice that several other reports and datasets are selected since they are required for their corresponding Dashboard and Report.
 6. Publish your content pack.
-

Question 2

0/1 point (graded)

Which other report/datasets are selected along with your defined selection?

☐ VanArsdel Report☐ VanArsdel Dataset☒ Lab 4 - Starting Report ✓☒ Lab 4 - Starting Dataset ✓

☐ Lab 5 - Canada Report

Note: Make sure you select all of the correct options—there may be more than one!

Explanation

The Lab 4 - Starting Report and Dataset are selected because you selected VanArsdel Sales Dashboard.

i Answers are displayed within the problem

Use a Content Pack

1. Go to the **DAT207xVA** Group workspace.
2. Click **Get Data**, select **My Organization** and click **Get**. Select the Content Pack you created and click **Get it Now**. Observe that the content of the content pack are brought to the group workspace.

Question 3

1/1 point (graded)

How many contents (dashboards, reports, and datasets) are brought into the workspace?

☐ 4

☒ 5 ✓

☐ 6

☐ 7

You have used 2 of 2 attempts

Edit a Content Pack

1. Go to your workspace (not the group workspace).
 2. Edit the content pack you created previously.
 3. Clear the **Lab 5 - USA** Report and update your content pack.
 4. Go to the **DAT207xVA** Group workspace.
-

Question 4

1/1 point (graded)

Which content is available in this Group?

☒ VanArsdel Sales Dashboard☒ Lab 4 - Starting Report☐ Lab 5 - USA Report☒ Lab 4 - Starting Dataset☒ Lab 5 - Canada Dataset

Note: Make sure you select all of the correct options—there may be more than one!
